

Mother's Day we stop to say,
Hope you have a special day.
Bring you breakfast in your bed,
Oops! The toast fell on your head!

Chorus: Mom, you're the best! (clap)
Better than all the rest! (clap)
In my eyes you're number one,
I'm totally impressed! (clap)

Spilled some coffee on the floor,
Wipe it up and pour some more.
You won't mind if we make mess,
'Cause you know we tried our best.

Chorus: Mom, you're the best! (clap)
Better than all the rest! (clap)
In my eyes you're number one,
I'm totally impressed! (clap)

Happy Mother's Day!
