

Tortoises

Is the tortoise slow or fast?

slow

fast

Is the tortoise loud or quiet?

loud

quiet

Is the tortoise melody high or low?

high

low

The Strings

violin

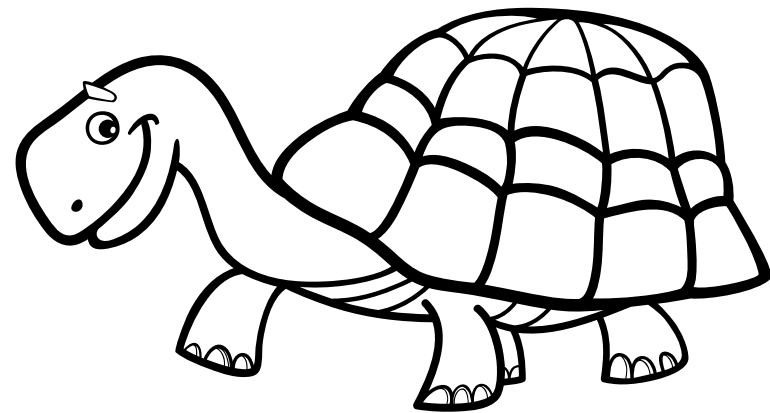

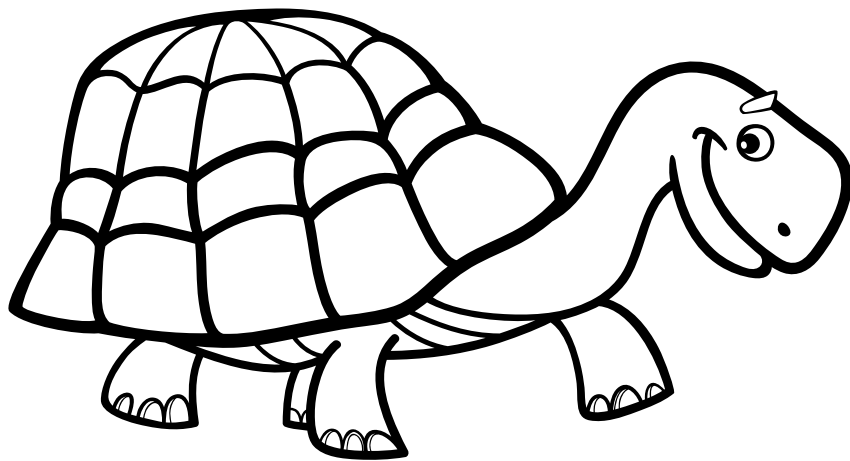

viola

cello

double bass

Tortoises move very slowly. In the A section the strings play the “Can Can” melody very slowly. (The “Can Can” is a very fast dance.)
What do you think the tortoise is doing in the B section? Sleeping? Walking? Playing with another tortoise?
