

# Garbage

Name: \_\_\_\_\_

Garbage, garbage in the can.  
Leave it for the garbageman.  
He will take it all away.  
When the world's full of garbage,  
where will we play?

1

No good stuff that once was new.  
Junk mail, flyers, tin cans, too.

Newspapers, apple peels, diapers,  
PEW!  
Last night's yucky leftover stew.

Garbage, garbage in the can.  
Leave it for the garbageman.  
He will take it all away.  
When the world's full of garbage,  
where will we play?

4

Rusty cars with lots of dents,  
Bikes and toys all wrecked and bent,

5

Ugly clothes my Aunty sent,  
Ever wonder where they went?

Garbage, garbage in the can.  
Leave it for the garbageman.  
He will take it all away.  
When the world's full of garbage,  
where will we play?  
Garbage, garbage, garbage,  
garbage, garbage  
in the can. YUCK!
